EXPERIENCE

UNITED STATES ARMY Wiesbaden, Germany
Deputy Collection Manager: Europe and Africa (Program Manager) (12/23-9/25) 7/20 - 9/25

- **Product Management:** Identified end-user needs in an ambiguous environment, incorporated feedback and adapted \$10M+ in specialized intelligence collection assets, enabling strategic decision making in the European and African theaters. Ranked #1 of 2 Program Managers.
- **Technical Optimization:** Directed the strategic integration of AI to synthesize complex collection data and automate analysis, reducing intelligence production time by 75%.
- **Cross-Functional Leadership:** Directed a 25-member team across multiple agencies to evaluate basing feasibility, develop deployment and maintenance budgets, and maintain executive-level reporting, delivering a multi-million-dollar aircraft initiative on time and within budget.
- **Stakeholder Management:** Created and directed daily communication channels with over 30 NATO allies, directly enhancing operational partnerships and exercise participation by 45%.
- **Operational Development:** Integrated collection operations for 5 theater-level exercises leading to a 50% increase in training proficiency.

Intelligence Officer in Charge (Program Manager) and Technical Training (7/20-12/23)

- **Agile Leadership:** Managed security operations for 400+ soldiers and 24 aircraft across Germany, enabling expeditionary theater-level aviation operations in Europe and Africa.
- **Program Management:** Oversaw 11 technical security and intelligence programs for 5 subordinate organizations throughout Germany, increasing collective program compliance by 65%.
- **Strategic Operations:** Directed intelligence analyses and assessments for missions across 3 continental theaters, supporting safe travel for world leaders, including POTUS and EU diplomats.
- **Crisis Management:** Directed intelligence production for 600+ missions in support of the U.S. Army aviation response to Russian aggression in Ukraine along the NATO Eastern flank in Poland.
